TONY SELLITTO

HPU BASKETBALL COACH VS. AZUSA

"I told Kenny (Crawford) that I was very disappointed in his performance in the first half and he could either decide to play in the second half or give up his uniform. Well, you all saw the decision he made."

"Defensively Steve Richey and Tracey Evans killed them in the second half and offensively Brian Blackwell was dynamite from long distance. In addition, Ken Crawford, John Strickland and Len McGinnis were very solid in the paint."

BILL ODELL Azusa Pacific Head Coach

"They (HPU) came out ready to play in the second half. Blackwell really hurt us in the second half. In the first half, Richey was keeping the ball but in the second half they started kicking it out to Blackwell.

"They are just so meaty on the inside and with Paul (White) out, how many muscle rebounds did they get. Offensively, everthing I called in the first half worked. But they picked up their defensive intensity and when you beat t their guys on the dribble, they have the big guys right there under the bucket

"We got a little tight when they made their run and you get a team like that on a role and it just steam roles from there. Winbush knew we weren't scoring and he tried to do too much. But here is a senior who carried us yesterday and today he saw it wasn't getting done and said 'guys, hop on my shoulders.' You can't fault him for that but we don't play well in one-on-one situations.

(on the past 2 years in which Azusa Pacific has gone 59-9) "We've made Azusa Pacific basketball something people respect. These seniors are a major part in getting that tradition going again.

"The timing of this game did not hurt us. This place and tournament has been run very well. The extras they have here to get you ready for the game really helped us yesterday and even today."
