BILL ODELL, Azusa Pacific Head Coach

(on the no call on the Pioneer 3-point attempt at the end) "It was a very physical game throughout, but a very fair game in terms of the calls. They didn't have a good shot at the end and they had to let it go. I fell bad for Transylvania. I told Don Lane (Transylvania coach) that I'm sorry it had to come down to a very controversial decision.

(on limiting Transylvania's 3-point shooting) "I thought we did a good job of staying down and staying in their faces. We did a decent job against their 3-point shooting, but when you're in an arena -- and you're not used to laying in an arena -- you're not going to shoot 50% from 3-point area.

"It was a pretty physical game and Paul (White) came through like a trooper. He had 10 defensive boards against a team that stays after you even after you get the rebound.

(on freshmen Raymond Tutt and Michael Dean) "They played well. I told Michael to create on the floor and he did. He didn't always make the best decisions but he followed through on what I asked him. Raymond came through with some very big buckets, both from the outside and under the basket.

"Their changing defenses hurt us and slowed us down. We had trouble with their 1-3-1 defense. I was pleased that they started to foul us early because we didn't attack their 1-3-1 very well.

DON LANE, Transylvania KY Head Coach

"We had a lot of good performances today. Erwin Roberts played unbelievably well."

"Azusa is a very good team. They had great size and depth."

"I was really proud of the way our team played. I couldn't have been prouder of the way this team played and the heart they showed tonight and the entire season."
