END OF GAME

Edward Waters Head Coach Buster Harvey:

The turnovers didn't kill us, we just couldn't seem to finish.

We got good shots - again, we just didn't finish.

I thought we played as well on defense as we could against them.

It's been a miracle season for us, we're happy and excited. We were supposed to get blown out and we had a chance to win tonight.

BILL ODELL, AZUSA PACIFIC HEAD COACH

"That wasn't our basketball team out there today. We had too many risky passes without meat on them. We can't play that way anymore. Fundamentally, we didn't do the little things right, and that was scary.

"We got into wrong spots on the press and tried to dribble with 2 guys on us. They are a hard team to play having not played for 2 weeks. They trap so much.

"We look to T.J. (Walker) because he does so many things for us. A follow dunk for a 6-foot point guard is what we have come to expect.

T.J. WALKER, AZUSA PACIFIC POINT GUARD

"The fatigue got to us. Yes, we turned the ball over a lot and we can't take anything away from their defense. But I've never been that tired.

KEVIN DAILEY, AZUSA PACIFIC FORWARD

"Winners find a way to win and that's what we did, but it sure wasn't pretty. Coach came up to me when we were struggling and said I had to go inside. As long as I understand and do what big men do, then the team will follow. This game was an extra wake-up call for us. If the first round was this tough then the rest of the rounds will be even tougher. We better be ready.
