Scoring Summary

BILL ODELL, AZUSA PACIFIC HEAD COACH

"When we went flat and didn't put points on the board in the first half, T.J. (Walker) took it upon his shoulders to carry our offense and keep us going.

"I felt some pressure about matching the performances of the other GSAC schools. I didn't mention it to the players, but it was there for me. I yelled and screamed for those other teams and am so proud of our conference.

"We've made the GSAC step and taken it to a different level. We've supported each other throughout this tournament.

"This was a big win because we didn't play well last night. We turned the corner tonight and did some real good things."

JUSTIN LESLIE, AZUSA PACIFIC FORWARD

"At nationals we have to be better at every position. (Assistant) Coach (Jim) Hayford told me to try to take advantage of their freshmen on the inside. That's what I attempted to do. I think I have a lot of moves in the post that work well."

"I felt pressure to move on from the other GSAC teams. We're the team to beat in the GSAC, and I'm cheering for them to move on. But we can't let them (Westmont, Biola and Concordia) have 1 up on us. With them winning earlier in the day, it gave us a lot more confidence coming into our game tonight."

JEROME JOSEPH, AZUSA PACIFIC GUARD

"I felt pressure to match the other GSAC schools. You don't want to be the first GSAC school out. It was almost the first California school to be out for a while, but The Master's took care of that.

We got the rust out last night. We were a little tired tonight, but I think we play better when we're tired because we count on each other more. I expect us to play even better tomorrow night."

Quotes from Ron Niekamp  
The University of Findlay Head Coach

"I think the players were disappointed by the way they played in the first half."

"They (Azusa Pacific) are a very talented team and we had problems guarding them."

"We were hesitant around the basket tonight. You can not play that way."
