First Half

Second Half

Quotes from Head Coach John Sheehy – John Brown University

We were playing from behind early in the game. Before the game we had talked about being stable in the first 5 minutes. Except for some minor exceptions, we did that but then let them get away from us about midway through the first half. At a timeout near the end of the game we talked about never backing out of these type situations. If we can get 2-3 defensive stops and turn those into points, we will be back in the game.

The people who have seen us play know we didn't play our best basketball tonight. We look forward to the Olivet Nazarene contest now that we have the first game jitters out of our system.

Our defensive effort in holding Azusa Pacific to 67 points tonight is what kept us in the game. Except for junior Abdiel Mendieta with 33 points, a career high, our offense had trouble getting into the game and building some momentum. I had no idea that Abdiel had 33 when I put him back in with 4 fouls.

The real challenge tonight was to disrupt their offense by holding Gervin below his season average. We were able to do that but some other players stepped up for them offensively
