Second Half

Game Quotes from Game #11
Voorhees vs. Azusa Pacific

Voorhees Coach Andre Williams

On Winning the Conference Tournament and Making the Nationals: "I'm proud of them. We have a lot of seniors and for them to go out winning a championship in their final year is really special."

On the Experience This Week: "It has been a wonderful experience. It's the first time most of the guys have experienced something like this. I hope it sets the stage for future teams to follow up."

On Azusa Pacific: "Azusa Pacific did an excellent job shooting the basketball. They really showed why they are the #2 team in the nation in the NAIA."

On His Team: "I'm proud of the way my kids competed. Whether they're down 2 or down 30 they always play hard to the final buzzer."

.....
Azusa Pacific head coach Bill Odell

"Voorhees is really quick and overall that quickness created some match-up problems for us. They're a different kind of opponent for us, one that we haven't seen all year. They press all the time. They don't run a lot of plays but try to break you down and then crash the boards. They had 9 offensive boards in the first half. We did a better job of a keeping them off the glass in the second half.

Azusa Pacific guard Larry English

"It's a good feeling to be back in Kansas City with a different team (he played with Barat in 2001). We didn't play our best basketball and there are things we're going to have to correct heading into tomorrow's game.

"I've been thinking about this game all week, getting prepared and thinking about what I've done here before. I was a little excited at the start of the game and got gassed pretty quickly. Usually it comes back by the second wind, but not today.

"It's good to be back in the Midwest. My family came over from Chicago. I haven't seen them in four months, and I didn't want to disappoint them today."

Azusa Pacific forward Brett Michel

"It was a good first game for us. We were really focused coming in and I think that's why we shot so well. They scored more than I would have liked, but they are a run and gun team.

"It gets a little tougher from here on out."
