Bill Odell-Head Coach

"I felt the energy with this team before we took the court. We changed the timing of things tonight because we didn't know when we were going to tip off. When we finally got to the arena, we emphasized getting loose in the hallways and working up a sweat before we ever took the court, and I think because of that we came out with some very good energy."

"We played very well in the first half. The guys wanted it and played hard. I was very pleased with their effort. And when we got a little lackluster in the second half I thought the subs picked us up."

"We knew Houston Baptist wanted to play up-speed, so we had to get back on defense tonight. McCain hurt us a little bit with the outside shooting but overall we were pretty good on defense."

"Larry (English) did a great job of distributing the ball. When he's doing that and getting people involved it's huge for us."

"The guys obviously feel good about where they are right now. They're excited about taking the next step and seeing what happens. They know that this is a whole new season."

"I'm proud of the effort. They played hard. I wouldn't trade this team for any other at this tournament." – Ron Cottrell, Head Coach
