COACHES' QUOTES
BUFFALO FUNDS-NAIA DIVISION I
MEN'S BASKETBALL NATIONAL CHAMPIONSHIP

John Brown University

John Sheehy: "Can you believe this? Can you believe this?"

On the game overall:

I thought we opened well, and went in at half-time, what? Up by eight? Then we opened the second half pretty good, too, but then we hit a streak when we didn't play very good defense. They started hitting some shots and we let them back in it. We stressed to the kids at half-time that (Azusa) wasn't through.

On the turning point:

After Azusa took the lead, Pat hit a three that got us back up. After that we refocused on defense. We came into the tournament as the No. 1 team in the nation in field goal defense. We refocused on that and kept them pretty much away after that.

On what winning means:

I'm not sure what it will mean to our younger kids ... we'll have to take a few days to settle down, then see what happens with our younger kids.

As far as recruiting, I think winning the National Championship can only help. I think some kids will want to come where there's a trophy.

On the seniors:

We're getting all our guards back, but we're losing a bunch of our guys inside. It's going to be interesting to see how we respond to that after losing three guys who have started for a long time. We're going to miss Pat (Smits), Rey (Reyjavick De Gracia) and Ryan (Woodson), as well as Ty Sawyer on the bench.

Azusa Pacific University

BILL ODELL - Azusa Pacific Head Coach

"They (John Brown) are a very good defensive team. They did what they needed to do. They clogged the middle and rooted us out. We knew we had to establish the inside game, but they didn't guard one of our players and made it difficult to get anything going inside.

"Their guys made the shots, and our guys came up a little short. We forced a few shot, but we had looks.

"I really did feel good at shoot-around today. I didn't think our legs were dead, and I thought we could be physical. However, Lance goes down early. We try to nurse him but he can't focus out of one eye. That took a little zip out of us.

"The subs brought us back as they have been doing all year. Adam (Greenaway) lit it up in the second half and gave us a lift. We had a chance to win, but they had shots bounce in and we didn't.

"I'm proud of our guys and how they competed all the time. Their heads were down at points but they battled and gave us a chance at the end."
