**MEN'S BASKETBALL NATIONAL CHAMPIONSHIP**

*Azusa Pacific*

*BILL ODELL - Azusa Pacific head coach*

"What got us through last night's game -- the gutting it out, the heart, the intensity - paid off tonight. We learned last night how to do that, and tonight we were able to do it again. We had to because Mountain State is such a good team.

"I was fearful about our energy level coming into the game. We got nutrients into them last night. They had ice baths. They got rest. But as they say, I think it came down to mind over matter.

"They (Mountain State) sometimes can coast, if that's the right term, and then pick it up. They're such a good team, and in the past we have not been able to stop them when they get going. Tonight I think we held them down a little bit.

"Larry's leadership is such a key. This is now the third time he has been here and he knows what it takes here. We're still a very young team and we make young mistakes as we did tonight.

"This team has exceeded everyone's expectations. But everything we do is a total team effort. The guys know their roles and perform them. I mean look at it, we have Josh Dillon on Tate. That's a mismatch if ever there was one. But we told Josh to make him reverse, keep a hand in his face and then help screen out Tate. I subbed 4 different guys into the game to screen Tate off the glass because I felt we had to limit their rebounding.

"We wanted to clog the middle tonight. Last night Curry just tore up Trevecca off their double stack high screen, but we did a good job of limiting that tonight. We knew we had to keep them off the glass, slow down their transition and make them change the direction of where they wanted to go on offense. The guys accomplished the task and did it as a team.

"We felt we had to reverse the ball and kick it to the opposite side against their defense. We did that and got good looks at the basket. Of course we made the threes early and then became a little too reliant on it later in the first half. We did a better job in the second half.

"To be here at this point in the tournament exceeds anyone's expectations, especially considering how this season has gone. But the guys keep working, keep improving and playing together as a team."

**BOB BOLEN-**

Azusa Pacific played extremely well. We have played with zip every game out here, and when we needed it most this time, we didn't have it.

The rebounding was a factor, they always found the ball off the rim
