COACHES' QUOTES
BUFFALO FUNDS-NAIA DIVISION I
MEN'S BASKETBALL NATIONAL CHAMPIONSHIP

Azusa Pacific

BILL ODELL - Azusa Pacific

"That's a team win as much as one could possibly be. I'd like to say that we played well, but we didn't. However, I'm very proud of the effort. We worked through it, hung in there and fought hard against a very good team.

"It was the scrap plays that got us back into this game. Execution of our offense was a big thing in our comeback and then it was very important in overtime. I think 3 times we had the ball at the end of the game with no shot clock and each time I had to come up with a different play.

(On Larry English) "He got some confidence, that's for sure. During one of the time outs he said just let me take care of it."

"We did a good job of containing Page. At one point I looked up and realized he hadn't scored, and we were down big at the time. We 'held' Merrill to 41. He played forever with 4 fouls and was just outstanding. Yet, I thought Brice (Prather), Lance (Soderberg) and Spencer (Foster) did a good job late in the game against such a great player.

(About being down by 16) "I called a timeout and saw them walking off the floor with their heads down. I had to challenge them a bit at that point. They responded and worked hard. They hit big shots, came up with key steals and got huge stops.

"This is pretty special. It reminds me of our play in the '98 and '99 tournaments when we battled against Incarnate Word and Union, teams that were better than us, and yet found a way to win."

Oklahoma Christian

"There were fifty different things that could have won for either team, but our inability to take care of the ball in regulation was costly. We had some great individual performances by Jarred (Merrill), Keith (Harris) and Charles (Baldwin) but they had some outstanding efforts on their side as well." Coach Dan Hays

"It was a valiant effort by our guys, we had the youngest starting five in the tournament and I'm really proud of the way they played." Coach Dan Hays

"Azusa made some big plays when they had to. They hit some big shots. It just didn't happen for us." Coach Dan Hays

"In my 37 years of coaching, I've never enjoyed one more than this year and it's because of being around this group of young men. This is a tough way to end it but I'm really proud of this team and the way they have represented themselves and our school." Coach Dan Hays
