Second Half

AZUSA PACIFIC-JOHN BROWN

March 15, 2006

Bill Odell, Azusa Pacific Head Coach

"I haven't been looking forward to this game. I knew it was going to be like this. John Brown is very well-coached team. Defensively, they stop you on the inside and give things on the outside. It's not the type of team I'd like to play in the first round.

"I'm proud of our guys and how they battled. They had some adversity, especially with the fouls in the first half, but they battled through it.

"Defensively, we did a good job on Cole. In fact, Tristan (King) did an excellent job on him. It was their non-shooters that hurt us by knocking down shots. We did a better in the second half of closing down on them.

(on the game-winning shot)

"We had other options than going to Lance (Soderberg). He was our third option, but in the time-out I told Tristan and Demario (Butler) to crash the board without getting an over-the-back foul.

(when the shot went)

"I had a flashback to our Vanguard game earlier this year when we thought we had won the game on a shot with 1.2 seconds left only to lose it on length-of-the-court pass and lay-up as time expired while we celebrated.

"John Brown tried to call time out but the officials didn't see it. So we let them go down court and that last shot nearly went in.

Demario Bulter, Azusa Pacific guard

"I knew Lance was going to shoot it, he was 2 feet from the basket. (Brandon) Cole wasn't boxing out too well, so I got the ball, put it in and won the game. This is a great feeling."

John Brown head coach John Sheehy after 65-63 loss to Azusa Pacific:

" We worked hard to get ourselves into a position to advance in the tournament again, and sometimes it works, and sometimes it doesn't. We scored 19 points in the second half and were still in a position to win."
