## **ROBERT MORRIS vs. AZUSA PACIFIC**

March 18, 2006

### Al Bruehl, Robert Morris Head Coach

"That was as exciting a game as I've been involved in during my fifteen years of coaching. We were in trouble in regulation, we were in trouble in overtime, and our big-time players came up big time."

"Jerome Harper and James Parker really stepped it up in the overtime. Parker's rebound and free throws were all-time plays."

"Reggie George had a great game, the kind of game we've been expecting out of him all season."

"Freeman Taylor was a man today. The tone he set in the first half really set us up for the game. When he fouled out, we lost a presence that took a lot to make up for."

On reaching the Fab Four for the second year in a row: "It's pretty hard to do, especially when you have to beat a team as experienced and talented as Azusa Pacific. We want to represent our school as best we can, and we hope we're doing everything we can."

### Bill Odell, Azusa Pacific Head Coach

"I told the guys that it's my fault. I didn't do enough this year in demanding execution from them, to do the things I expect of them. There were lessons throughout the season that we should have learned, but we didn't. Coming out of the last 2 time outs, we didn't do anything that I wanted them to do."

"Robert Morris is just too good of a team to make mistakes against. They are a good defensive team, but they give you opportunities. If you make the right decision, you can beat them. Their hectic pace on defense makes it hard to make decisions."

"Tristan (King) had a great game. Really, he had a great tournament. We isolated him on their big guys because he is very strong down there. He got tired, and he just couldn't get those 2 free throws over the front of the rim. He played great, he just ran out of gas."
