First Half

Second Half

Game 5 NAIA Men's National Basketball Tournament, Kansas City, MO

BILL ODELL – Azusa Pacific Head Coach

“We played a very, very poor game but our heart showed. We kept after it. We have an experienced group but we did not play the way we can. There is a lot of expectation that these guys have put on themselves, and I don't know if that affected them tonight or not. They played very tentative and selfish, but they kept it together and came up with some big plays when it counted.

“Our defense won it. We changed our defense a bit midway through the second half, particularly with Matt (Oliver), and that really helped us. Had I been smarter, we would have done it a little earlier and maybe made this game easier on us.

“Chad (McDowell) did a great job preparing his guys for us. They did all the things you have to do against us. They controlled tempo and slowed it down, which is not their nature, and they isolated the point guard. (Freddy) Hughes is really an outstanding guard.”

LSUS quotes from Head Coach Chad McDowell

“I felt like we executed perfectly in the first half. We held a very talented team to just 25 points, but on the same side, so did they. There were so many chances for us to build a lead but it seemed as though we just couldn't get the handle on an offensive rebound, or we miss a put back that we normally make.”

“We built a 13 point lead by forcing the tempo and outworking them in transition, but for some reason we lost that through the middle portion of the half which allowed them to fight back into it.”

“If you would have told me that we would be down one with 20 seconds left and Freddy Hughes, a career 92% free throw shooter at the line, I would have said we will win. Unfortunately even the great shooters miss once and a while.”

“We couldn't keep them off the free throw line, and they capitalized hitting 18-of-22 in the second half which was the difference.”

“There is no question we believed heading into this game we could win. It reminds me so much of three years ago when we lost to John Brown University. We led and controlled the entire game, only to see our lead vanish in the final minute.”
