Oklahoma City Rallies Past Azusa Pacific (Calif.), 84-68

Stars overcome 16-point, second-half deficit to reach NAIA Fab Four

Kansas City, Mo. – No. 2 seed Oklahoma City University scored 58 second-half points to record an 84-68 victory Saturday against No. 10 Azusa Pacific University (Calif.) in the quarterfinal round of the 2007 Buffalo Funds-NAIA Division I Men's Basketball National Championship. The tournament is being staged at Municipal Auditorium in Kansas City.

The Stars shot 57.6 percent in the second half while holding the Cougars to just 26.5 percent from the floor. Oklahoma City moves to 33-2 on the season and advances to the NAIA Fab Four for the second consecutive year and sixth time overall. The Stars will face either Northwestern Oklahoma State University or Faulkner University (Ala.) in a national semifinal contest Monday at 8 p.m. CDT.

After taking a 39-26 lead at the half, Azusa Pacific extended its margin to 16 points on three different occasions early in the second period, the last coming at 50-34 on a shot by senior forward Scott Zea with 16:39 left. Oklahoma City started to chip away at the deficit, then used a 19-3 run to grab a 62-56 advantage with 7:28 on the clock. During the decisive run, the Stars held the Cougars to just one field goal in a five-minute span.

Azusa Pacific battled back to within three points before an 11-2 spurt gave Oklahoma City a 77-65 lead with just over a minute to play.

Junior guard Kameron Gray led the Stars with 21 points and six assists. Senior center B.J. Walker dropped in 16 points, while senior forward Duane John posted a double-double with 14 points and a game-high 11 rebounds. Senior guard Nick Covington also reached double-digits with 10 points for Oklahoma City.

Junior forward Todd Martin came off the bench to register a team-leading 17 points for Azusa Pacific. Senior guard Demario Butler, senior forward Tristan King and junior guard Matt Oliver each contributed 10 points for the Cougars. The loss ended a six-game win streak for Azusa Pacific, which closes the year at 29-7 overall.

- NAIA -

A leader in the development of student-athletes, the NAIA is committed to changing the culture of sport through *Champions of Character*. Founded in 1937, the NAIA continues to be a pioneer in implementing exceptional standards for academics, diversity, and character. Today, the NAIA sponsors 23 collegiate championships in 13 sports for its nearly 300 member institutions throughout the United States and Canada. To learn more about the NAIA visit www.naia.org.

First Half

Second Half

AZUSA PACIFIC vs. OKLAHOMA CITY

Azusa Pacific Head Coach Bill Odell

"They picked up their defensive tempo in the second half, and we had a harder time getting into our offense. We were further out in our sets and our angles weren't good. I felt like in the first half we could call anything, and it would work, but that wasn't the case in the second half.

"We ran out of steam. They are just deeper and better. We couldn't stop them. They are a tough team to match-up with, and when you consider that their best player (Willie Irick) comes off the bench, it just shows you how deep and balanced they are.

"It hurt us that our hottest player at the moment (Todd Martin) got into foul trouble. We lost a key player to our offense at that moment."

Oklahoma City Head Coach Ray Harper

"I thought defensively we were very poor in the first half. We weren't very aggressive. We talked about some of the adjustments we were going to make defensively. I thought that was the key."

"You know, we just shot the ball too quick in the first half. We did too much one-on-one. We weren't sharing the basketball."

"We did a good job of taking care of the ball."

"I told the kids at halftime, 'Look, we've got to stay together. It's a 13-point deficit with 20 minutes to play. We're not going to get the 13-point lead back in the first four or five minutes. We've got to get it down and chip away and we'll catch them if we'll play on the defensive end.' And we did."

"Then, all of sudden, Willie Irick decided that, 'Hey, I'm the guy. Get me the ball. We're going to do this thing.' Boy, he was a man amongst boys there in the second half."

"The guy who is the keys to the ignition is Kameron (Gray). When he's aggressive and he's playing, he's the one who starts the engine and makes us go. He made us go in the second half. We played a lot of two man game with him and Willie and let Kam make decisions. Boy, did he make good ones!"

"We had a lot of guys step up. B.J. (Walker) got his fourth foul, Willie (Irick) was getting tired so B.J. had to go back a little earlier than we wanted. When he went back, he went to war and made some big buckets for us."

"It's one of those games where you got ride the horse that brought you or dance with the girl you brought. Those are the ones who brought us here."

"I thought we had good looks in the first half. I was not concerned with the type of shots we got. It was when we got them. I thought we took them too quick. I didn't they came out of the flow of the offense. I thought they came off the bounce, guys wanting to do too much 1-on-1. We said, 'We've got to get things out of the flow, guys.'"

"Once, we came out of the timeout (early in the second half), I saw a little different fire."

"Give those kids credit. They showed a lot of heart. They could have rolled over a couple of times, but they weren't going to let that happen."

"We'll play whomever shows up. Either team is going to be a good team. We'll be ready to play. We're just happy to be there."
