- (2) UCLA scored on 61% of its possessions tonight: 50 of 82. In the first half, the Bruins were 23-42 (54%) and better in the second half, scoring on 27 of 40 possessions for 68%. Azusa Pacific scored on 32% of its possessions: 25-79. The Cougars were 11 of 41 in the first half (26%) and 14-38 in the second half (37%).

Quotes from Azusa Pacific coach Justin Leslie

We tried to do a lot of the things it's going to take for us to be successful this year, but they were pretty darn good at taking us out of those things. The thing I was most excited about tonight was that our guys didn't tuck their tails. They competed, and they enjoyed being out there. We were just beat by a better team. I think we've still got a good team, a special team that will do some pretty nice things this season, but we've got to chalk this one up to how impressive UCLA really was.

We knew Mike Caffese was fearless, we just hope that in the process of being fearless, he makes good decisions. Tonight he did, and the best decision he made was to go out there and lay it all on the line. I wasn't expecting him to spark us on the offensive end, I was expecting it to come on the defensive end, but he came out and really gave us a big lift.

Quotes from Azusa Pacific freshman point guard Mike Caffese

This is a once-in-a-lifetime experience. Not a lot of players at this level are able to say they got to play UCLA at Pauley Pavilion. I just wanted to make the most of it and get out there and play as hard as I could.

I just wanted to lead the team, help get guys open and create what I could. My job is just to control the ball and not turn it over, and I wanted to help my teammates play to the best of their abilities.

Quotes from UCLA Head Coach Ben Howland:

My main concern was that Darren Collison tweaked his left knee in the first two minutes of the game. He looked fine because of the adrenaline, but it was bothering him after the game. We are going to order an MRI tomorrow in case it is a meniscus tear. There was no swelling, which is good, because that is usual with those kinds of injuries. H said he heard something pop on the first play. He told us he was fine and we kept him in there.

If he did tear it, we are hoping that he will only out from four to six weeks.

Kevin Love did great tonight. He had 15 (points) and 12 (rebounds) in 21 minutes. He was a powerful force on the glass and had some really nice passes. H definitely brought a little bit more excitement to this stadium than usual for a first game.

The starting line-up did a good job and I liked how they looked with Alfred (Aboya) in there. Josh (Shipp) came in and did a lot of good things. You have to give him credit for working so hard to return from his (hip) injury and playing so well.

Nikola Dragovic did a good job making open shots. He definitely looks more comfortable with a year of experience under his belt. I felt Luc (Mbah A Moute) looked very sharp and make some tremendous passes.
